U.S. Probation Officer Action:

On October 19th, 2021 during telephone contact with supervising officer, Mr. Hagler stated he has been using marijuana and would fail a drug test. Later that day the supervising officer met Mr. Hagler in the community at his job where he signed an admission of drug use form although no urinalysis was collected. Supervising officer reprimanded Mr. Hagler for his illegal drug use and discussed consequences for continued illegal drug use and pro-social alternatives.

On December 1st, 2021 during an office visit, Mr. Hagler submitted a urinalysis that yielded presumptive positive results for cocaine and marijuana. Mr. Hagler denied the use any illegal

drugs and insisted the last time he used marijuana is when he informed the supervising officer in October. The urinalysis was sent to the national lab for confirmation, and on December 5th, 2021 results came back as insufficient. It was determined there was not enough volume due to possible leakage during transportation for a confirmation test to be conducted.

On December 14th, 2021 Mr. Hagler reported to the office and submitted a urinalysis that yielded negative results for all substances. The U.S. Probation Office will continue to monitor Mr. Hagler with drug testing and will notify the Court of any additional non-compliance. We are respectfully requesting no Court action be taken against Mr. Hagler and allow this notice serve as a written reprimand from the Court.

Respectfully submitted,

SUSAN M. SMALLEY, Chief
U.S. Probation Officer
